

## One Day Salad

Julie Jentzen's

### Ingredients

1 Head of Cauliflower (2-3 Cups,) cut into bite size  
Broccoli cut into bite size - use equal amount to Cauliflower  
1Pkg Bacon, Cooked Crisp & Broke into Pieces, turkey bacon works too-just not as tasty  
 $\frac{1}{2}$  C. Onion, Diced Preferably Red  
Miracle Whip Mayonnaise  
Sugar

### Combine

Cauliflower, Broccoli, & Onion

Add Mayo to coat ingredients; You don't want it too dry or too wet. Start w/ a small amount, you can always add more.

Sprinkle with Sugar, approximately 2 T.

Enough for it to no longer taste like Mayonnaise but like a dressing.

Mix in Bacon right before serving as it has a tendency to get soggy; hence the title
