

NORTH HIGH CLASS OF 1959
50TH YEAR CELEBRATION
September 25-26-27, 2009

Hello again Redskin Classmate,

You can now start looking for the best air flight deals or get your car tuned up for the trip to Wichita—or across town!!! We can't wait to see everybody again—or for the first time since graduation!! The reunion committee has been working hard to bring plans together for our 50th celebration. Around 100 classmates responded to our September survey and we have tried to be responsive to the majority who wished to keep the meal expenses in the \$50.00 range for the weekend. And to think that this letter was sent out before our 401K's have become 301-201 and even 101 K's!! We have worked really hard to keep within this budget. As many indicated, the most important part of a reunion is reconnecting with classmates not fancy expensive venues and all would rather have larger numbers be able to attend than to have prices be too high to discourage attendance. A big thank you to those who sent in donations to help keep the expenses down. We are charging a \$5.00 registration fee per classmate to cover mailings and postage, costs of name tags and supplies. Payment is due by June 15, 2009.
